

At Fairhill, we are committed to supporting each student's literacy development. This summer, students are encouraged to read and keep a record of their reading minutes. Students who participate will be entered for a chance to win prizes!

How to Participate

1. Read a book of your choice or choose from the Fairhill reading list

- Students may choose from Fairhill's suggested reading list, choose their own books based on interest, or login to Achieve 3000 using their school username and password and choose an article of interest.

2. Log Minutes:

- Record the minutes you spend reading on your summer reading log.

3. Turn in Your Log and be entered to win!

- Bring your completed reading log to your teacher when school begins to be entered for a chance to win prizes.
